Expression Élan Toe-Dip Label Words

The three words I'm beginning with that describe me at my best and most authentically engaging:

After taking these words to the thesaurus and going at least 2-3 layers deep, these words are *even better*:

When I think of these words, these colors, images, feelings and words come to mind:

Colors	Images	Feelings	Words

My commitment is to infuse more of these elements into my storytelling and speaking here forward so that my natural style comes through.
