

THE PATH OF  
*Radiant*  
LEADERSHIP

GLIMMER

**You feel the call to speak, write, share your voice like a glow in your center.** You're not sure what you want to say or how, but that glimmer is growing. You are ready to start taking action.

SPARK

**The call is rising in energy.** Turning to distractions is no longer an option. It's time for radical message clarity and a path forward. While the full vision is still mysterious, you know you're ready to show up and serve in a big way.

FLAME

**No more hiding.** Time to be seen and heard in your industry and career. Speaking, writing your book, starting your podcast - the time has come to shine bright and invest in excellent support for growth & impact.

FIRE

**Armed with a powerful message and body of work built for legacy, you're on fire with your message.** Discernment is key so your time is used for greatest impact, including the right team. Confident and on purpose, you're sometimes overwhelmed with so many irons in the fire.

RADIANT

**Your devotion to your message and impact has created a momentum that's bigger than you.** As a beacon light, you magnetize dream opportunities to speak, write and serve. Your leadership radiates, calling forth your people. Your focus is on the Vision and big picture as you grow your team to create the biggest impact possible with your work.
